

## **Senior Contract Recruitment Consultant to Directorship & Equity**

### **The Business:**

Pegasus Resource, a specialist resourcing consultancy which focuses within ERP (Oracle and SAP), BI and EPM (Hyperion and Business Objects) markets for both permanent and contract recruitment. Since inception we have quickly become an “industry benchmark for Oracle Applications e-business suite permanent recruitment with a secure position in the contract market. Our focus is to develop within Oracle and SAP from a contract perspective across UK, Europe and other parts of the World. Pegasus Resource is independently and privately owned by a “hands on” recruitment consultant within the growing business.

### **The Opportunity:**

We are currently seeking an experienced “Contract Recruiter” someone who can develop “new business” from current clients and contacts from either an SAP or an Oracle Applications perspective. You will have at least 3 solid years of new business development experience and also be a 100% self starter to the team. This is a perfect position for a “proven biller” who has built up strong relationships with candidates and clients and is seeking that pivotal career step to join a company which can offer a “fast track” to Directorship and Equity.

### **Dedicated Team Support:**

To embrace you into your new position, you will have a dedicated “resource analyst” that can support you in activities required for growth and billing such as active project information, hiring managers and much more... You will also have the opportunity “if you wish” to lead this individual as he/she will be the first member of your new and developing contract team.

### **Career Prospects:**

You are being specifically hired to develop the contract perspective of the business, as a by-product of your success in direct relation to this objective you will have become an asset to the business operations from a contract perspective. Prior to joining you will agree an achievable road map to the ultimate! Directorship within 2 years coupled with equity. During this time you will earn uncapped commission, coupled with individual performance bonus every month! We offer the best commission structure, find out more..!
